EXECUTIVE ORDER ESTABLISHING
THE MONTANA STATE BANKING CODE ADVISORY COUNCIL

WHEREAS, it is the policy and goal of the State of Montana's Banking and Financial Division to protect the public interest in the regulation of all state banks; and

WHEREAS, it is the goal to preserve and promote sound and constructive competition among banking institutions regulated within a dual federal and state banking system while overseeing the security of deposits and the safe and sound conduct of the business of state-chartered banks within Montana; and

WHEREAS, it is the goal to seek regulatory coordination, cooperation and parity among banks regulated by the Financial Division, and to maintain open lines of communications with state banks and their respective state and federal regulatory agencies; and

WHEREAS, the financial services offered by sound State banking institutions should promote capital availability, foster economic growth, encourage community reinvestment, and meet the public demand for these services in Montana communities; and

WHEREAS, the several provisions of the Montana Banking Code have not been generally revised since 1927; and

WHEREAS, federal legislation is being considered that may significantly modify the dual banking system and the regulatory powers of state and federal agencies as they pertain to interstate banking and branch banking; and

WHEREAS, the Financial Division has been successful in creating a working partnership among the private sector and the banking community to assist in restructuring financial regulation in the state; and

WHEREAS, the review and revision of State Banking Code would strengthen Montana's law in providing services to the banking

community and would further provide clarification which would allow more consistent regulation of state financial institutions.

NOW, THEREFORE, I, STAN STEPHENS, Governor of the State of Montana, by virtue of the authority vested in me by the Constitution and laws of the State of Montana, and specifically Section 2-15-122, MCA, do hereby create the Montana Banking Code Advisory Council.
